

Tse Tse Fly Middle East : Sounds of 2018

Since 2016 arts platform Tse Tse Fly Middle East has produced a monthly two-hour radio programme for UK station Resonance EXTRA showcasing experimental music and noise from the Middle East, Africa and the Indian subcontinent. Here the platform's Sounds of 2018 list draws together what they consider to be the best albums, EPs and tracks from the past year. Soundcloud links to tracks are provided where available.
